

LVAPOR™
LED VAPORPROOF

The LED That Goes Where You Won't.

HARD-TO-REACH AREAS

Perfect for elevator shafts, bridges, tunnels and other areas where you don't want to relamp often.

CFL PERFORMANCE

Excessive heat produced in tight/enclosed spaces can reduce light output and dramatically decrease lamp life.

Incandescent replacement range: 25W-60W

CFL replacement range: 13W-23W
